STATE MOTORCYCLE SPORTS COMPLEX
Strath Creek Road Broadford Victoria

Information Memorandum

Regarding clause 19 of the General Conditions of Hire dated July 2007:

“Clause 19 All commercial and event hires shall have a Safety Plan appropriate to the purpose of the hire which complies with all statutory and government requirements, incorporating details of safety equipment, identification of potential hazards and operating procedures. The plan shall be produced if requested by the owners [Motorcycling Victoria]”.

It is accepted that extension cords and electrical appliances are a potential hazard especially in the semi-outdoor environment that occurs at Broadford events.

We therefore advise that at all major events with large public attendance and where requested by Motorcycling Victoria the following will apply.

All extension cords and/or appliances plugged into the State Motorcycle Sports Complex power supply must have a tag to identify that the item has been tested within the past two years.

Care must also be taken with how extension cords are laid out and we would like to discuss this matter further with your Safety Officer in due course.
